

Variance Scorecard

A Variance Scorecard has been created in order to help you identify trends with your variances. To access the Scorecard, click “Acknowledgements” in the Chargeback section of the home page.

Select the memos that you would like to view a scorecard for, and click “Create Variance Scorecard.”

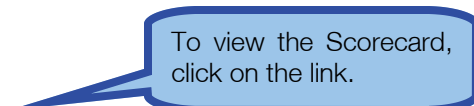

Select All Create Variance Scorecard

	Memo Number	Claim ID	Requested Amount	Total Amount	Date	Status
1	<input checked="" type="checkbox"/> 555555551	00296663	\$1,324.13	\$1,210.86	11/26/2009	Read
2	<input checked="" type="checkbox"/> 888888888	00123456	\$6.00	\$6.00	10/28/2009	Printed
3	<input type="checkbox"/> 888888889	00123457	\$6.00	\$6.00	10/28/2009	Read

The system will provide a link to the Scorecard. Please note that you will need to allow pop-ups from e-Abbott to have access to the link.

Acknowledgements Scorecard

Date: 12/28/2009
 Time: 16:02:30
 Excel Version: [12280957748equc.xls](#)

The Scorecard will be displayed in Excel. The data is split into three tabs.

	A	B	C	D	E	F	G
1	End User #	Submitted Contract #:	Item #	Requested Amt	Total Rebate	Rebate Diff	Memo N
8	20 Total					113.27	
9	Grand Total					113.27
